Think about what you value most and list here.

---

If courage comes from defending what we value, then ask yourself what's worth fighting for?

---

---

---

---

What actions have you taken that might indicate that you are an activist?

---

---

---

---

Are you already an activist, or have you not acknowledged it yet?

---

---

---

---

Write some things down you are willing to share about yourself and being an activist?
